

EDT MIGRATION SERVICES

VISA APPLICANTS: WHAT CAN YOU EXPECT?

At EDT we employ an in-house Migration Agent who is also a Solicitor. She has been on board with us since April 2014 and prior to that has several years of Migration law practice in a corporate environment.

She is able to provide you assistance with all your Australian migration needs and will assist in the following ways:

Detailed Assessment & Preparation

At Edt Global our Migration Agent will collect, examine and assess and relevant and necessary information and documentation as necessary for your application. She will inform you regarding your eligibility, the likelihood of success based on documentation and information provided in order to assist you with prompt processing with the Department of Immigration and Border Protection (DIPB).

Submission and preparation

Our Migration agent will ensure that all the criteria are met before organising lodgement of your application with DIPB. This includes the preparation and necessary submission to relevant bodies such as assessing authorities, State or Territory Governments or Employers as may be relevant for your application.

Lodgement & Monitoring Up Till Decision

Our Migration Agent will review and finalise all application forms and documentation ensuring that they meet the various criteria. Once lodged our Migration Agent will monitor any requests from DIBP and will promptly respond and provide such information/documentation as required. She will also provide you with relevant updates. Lastly once a decision is made our Migration Agent will promptly notify you in writing and will ensure that all relevant conditions are made clear to you.
